By purchasing our Impact Recorders in a bulk sheet pack you cut your per label cost dramatically. You also get the ability to build the assortment that best suits your particular needs. Simply choose the number of sheets of each type you wish in your pack and discounts will be applied as the quantity increases. The more you order, the more you save. Keep in mind that all prices are per sheet, NOT per label. All sheets are the same price, as the number of labels per sheet has been adjusted so that each sheet uses the same amount of material. If you wish to see where the price breaks fall so that you can maximize your discount, simply click on the "Complete Discount Pricing" icon at any time.
